Product Description

1000KW CONTAINER TYPE DIESEL GENERATOR

Manufacture and design gen-set's container according to ISO container standards, gen-sets below 1250kva adopt 20ft container and above 1250kva adopt 40'ft container.

Container with CSC/CCS certificate, the complete containerized gen-sets can be directly carried by Cargo ship.

Dellent container is painted with high stiffness and anti-rusty polyurethane paint; also the chose of shape stainless steel makes it superior mechanism structural quality compare to ordinary container.

Anti-explosion led lights fixed inside of container and control panel, design for maintenance and operation. Front and back doors, two side doors and ladder on each side, designed for easier access and maintenance.

- All hinges, locks, screws are stainless steel, inside of the container fixed with anti sea water/rainproof accessories.
- Fix with control panel and output panel.
- High quality Longkai alternator, which ensure the gen-sets, can be started easily and offer stable power.

Longkai designed Fuel tank. Fuel supply drains, external auto refuelling outer joint, and muffler, etc, are well appreciated by our clients.

Our high performance soundproof material is durable, efficient and flameproof.
